INTRODUCTION

Budhanilkantha is committed to academic excellence. The school is dedicated to maintain the academic environment with the help of outstanding faculty engaged in the task of creative sensibility, or sense of responsibility and moral integrity. We believe that children today are responsible for citizens of tomorrow. However, the nourishment of these buds cannot blossom unless and until they get excellent academic environment which will enable them become acquainted with the nation and their society and family. Budhanilkantha is committed to create homely but disciplined environment so that children may become aware of their own future.
